COVID-19 Construction Site Exposure Reduction Plan

GENERAL JOB SITE PRE-CAUTIONS

The following measures will be undertaken and maintained at all times for the safety and health of all company workers, owners, supervisors and passing individuals.

- 1 Six-foot minimum social distancing
- 2 Gatherings of any size will not be permitted on site, and if two people must meet, six-foot social distancing shall be observed.
- 3 Personal protective equipment {PPE} such as gloves, goggles, face shields and face masks as appropriate
The owner/contractor has designated a site specific COVID-19 Supervisor to enforce this guidance. A
- 4 designated COVID-19 Supervisor shall be present on the construction site at all times during construction activities.
- 5 Trades shall be staggered to reduce density and maintain minimum 6-foot separation for social distancing
- 6 Contractor or owner/builder will require that no two (2) or more workers congregate in areas smaller than 400 square feet.
Workers on this site will be discouraged from using other workers' phones, desks, offices, work tools and
- 7 equipment. If joint use of such equipment is unavoidable, these items will be cleaned and disinfected before and after use.

HYGENIC/PREVENTATIVE PRACTICES

The following measures will be undertaken and maintained at all times for the safety and health of all company workers, owners, supervisors and passing individuals.

DO NOT!! Touch your face with unwashed hands or with gloves

YOU MUST!! Wash your hands often with soap and water for at least 20 seconds

Other Guidelines:

Use of hand sanitizer with at least 60% alcohol, cleaning AND disinfecting frequently touched objects and surfaces such as workstations, keyboards, telephones, handrails, machines, shared tools, elevator control buttons, and doorknobs; covering the mouth and nose when coughing or sneezing as well as other hygienic recommendations by the CDC.

Any staff operating outside the safety measures listed above to be reported to the office immediately 916-999-0171.
